

REMARKS

These remarks are in response to the Official Action mailed August 15, 2006, in which claims 1-8 and 13 were rejected under the judicially-created doctrine of obviousness-type double patenting as being unpatentable over Application No. 10/119,624. In response to this Office Action, applicants hereby file a Terminal Disclaimer in compliance with 37 CFR 1.321(c) to overcome the rejection. A petition for a one (1) month extension of time for responding to the Official Action is herewith submitted.

As it is believed that all of the rejections set forth in the Official Action have been fully met, favorable reconsideration and allowance are earnestly solicited.

If, however, for any reason, the Examiner does not believe that such action can be taken at this time, it is respectfully requested that the Examiner telephone applicants' attorney at (732) 524-3385 in order to overcome any additional objections which the Examiner might have.

Respectfully submitted,
